3. Support for QSR Products

What are your plans for ramping up your organization to sell and support the QSR solutions?

** Note that certain QSR software may only be offered to resellers who achieve Advance or Premier status in the program, and that QSR may require training be completed before the company is authorized to resell and support the solution.*

Study QSR documentation and learn the solution in the company lab.

Purchase additional training from QSR at our site, or at QSR's training facility.

Would you like for training at your location or at the QSR training facility?

When would you like to schedule your training?

4. Signature

Until credit terms have been applied for by the reseller and approved by QSR, standard payment terms for resellers within the United States are C.O.D., bank wire transfer, or credit card prior to shipping for each order. All resellers outside of the United States must pay via bank wire transfer or credit card (USD) for each order prior to shipping.
